-----  
Good evening

Please be advised that Harley Marine will not come offshore, in order to deliver bunkers

Urgently advise how many days you have remaining

brgds,  
Ricky Foster

Good Evening ,

Dear Mr.Ricky Foster ,

Please be inform that we don't have enough space for drop anchor in Bolivar anchorage are for bunker .Pilot must turn the vessel and proceed to Fairway Anchorage .Please send the barge with MGO in Fairway Anchorage as was last time .Weather outside are good .

Please instruct .

Yours faithfully,  
Master M/T "NAVE POLARIS"

Good Day

Please note following orders and berthing prospects for Houston TX

\*CAPT - please keep your eNOA updated accordingly, do not let the date of departure expire\*\*(this is only a reminder)

Vessel currently at anchorage, NOR was tendered at 1324/15, channel remains closed due to fog, reverting....  
Latest line up from the terminal for #8 dock: Chembulk Virgin Gorda, King Arthur, Seafriend, Corrido, Jill Jacob, World Navigator, Nave Polaris Coastal Gulf will be arranging a Launch for pre-sampling at anchorage, still awaiting their confirmation \*\*pilot has been set with Galveston/Texas City pilots for 1400, in order to bring the vessel into Bolivar Roads for bunkers, but due to channel closure actual pilot time is unknown....

Discharging at ITC #8 - Confirmed

Terminal currently advises that they have 6 vessel tendered ahead of us, and expect about a 5+ day wait for an open dock, pending weather Max draft: 40 feet / Heading: Pending dock / Gangway: vessels

Bunkers: barge or shore line/ Stores: barge only / Freshwater: barge only Slops Removal: barge only / Garbage Removal: barge only

CGO#1 - 20516.837mt Ethanol

Stowage: 1W, 2W, 3W, 4W, 5W, 6W

Surv: Coastal Gulf

Hose: 8" Cargo / No Vapor

brgds,

Ricky Foster
